

To assist with the selection of representatives and planning for workgroup participation, the following information is provided. The meeting information is for the first two meetings planned for each of the workgroups. Please note that the first meeting will be approximately three hours and will be used to go over the input DDS received through the survey, email, and other means; to provide data; and discuss the process and related outcomes. The second meeting is expected to be a full day of discussions. All workgroup meetings will be held in Sacramento at 1600 Ninth Street in Room 360.
