SECTION 1. Section 4620.3 is added to the Welfare and Institutions Code, to read:

4620.3. (a) To provide more uniformity and consistency in the administrative practices and services of regional centers throughout the state, promote appropriateness of services, maximize efficiency of funding, address the state budget deficit, ensure consistency with Lanterman Act values, maintain the entitlement to services, and improve cost-effectiveness, the department, in collaboration with stakeholders, shall develop best practices for the administrative management of regional centers and for regional centers to use when purchasing services for consumers and families.

(b) In developing regional center administrative management best practices, the department shall consider the establishment of policies and procedures to ensure prudent fiscal and program management by regional centers; effective and efficient use of public resources; consistent practices to maximize the use of federal funds; detection and prevention of fraud, waste, and abuse; and proper contracting protocols.

(c) In developing purchase of services best practices, the department shall consider eligibility for the service; duration of service necessary to meet objectives set in an individual program plan; frequency and efficacy of the service necessary to meet objectives in an individual program plan; impact on community integration; service providers' qualifications and performance; rates; parental and consumer responsibilities pursuant to Sections 4646.4, 4659, 4677, 4782, 4783 and 4784 of this code and Section 95004 of Government Code; and self-directed service options.

(d) The department shall ensure that implementation of best practices that impact individual services and supports are made through the individual program planning process as provided for in this division or an individualized family service plan pursuant to Section 95020 of the Government Code, and that consumers and families are notified of any exceptions or exemptions to the best practices and their appeal rights established in Section 4701.

(e) Purchase of services best practices developed pursuant to this section may vary by service category and may do all of the following:

(1) Establish criteria determining the type, scope, amount, duration, location, and intensity of services and supports purchased by regional centers for consumers and their families.

(2) Modify payment rates.

(3) Reflect family and consumer responsibilities, pursuant to Sections 4646.4, 4659, 4677, 4782, 4783, and 4784 of this code and Section 95004 of Government Code.

(f) Purchase of services best practices shall include provisions

for exceptions to ensure the health and safety of the consumer or to avoid out-of-home placement or institutionalization.

(g) Best practices developed pursuant to this section shall not do either of the following:

(1) Endanger a consumer's health or safety.

(2) Compromise the state's ability to meet its commitments to the federal Centers for Medicare and Medicaid Services for participation in the Home and Community-Based Services Waiver or other federal funding of services for persons with developmental disabilities.

(h) The department shall submit the proposed best practices to the fiscal and applicable policy committees of the Legislature by no later than May 15, 2011. This submission shall include a description of the process followed to collaborate with system stakeholders; the anticipated impact of the best practices, coupled with prior reductions on consumers, families, and providers; estimated cost savings associated with each practice; and draft statutory language necessary to implement the best practices. Implementation of the best practices shall take effect only upon subsequent legislative enactment.
